

Yalow feels like a true community. The teachers and staff go above and beyond to make sure every child is supported and encouraged to reach their potential. It's clear that the entire team is deeply invested in the success and well-being of the students.

- ADA FRANCISCO, PARENT

Yalow built my children's confidence and trust in themselves especially with the knowledge they have received in chess and fencing.

- ABRA ODOUYAO, PARENT

As a parent of a child in kindergarten, I am consistently impressed by the school's excellent curriculum, its commitment to diversity, and the remarkable leadership.

- MARIE SOLANGE, PARENT

It is a great satisfaction to have my child wake up in the morning and WANT to go to school, even look forward to the day head.

- KILSY FILPO, PARENT

We firmly believe that Rosalyn Yalow was a fundamental part of our daughters life, teaching her to have great expectations for her life and education. It's an honor for our daughter to her to have great expectations for her life and education. She loves the fact that it is a public school, and a small one compared to others.

- KANTENDING KANTEH, PARENT

The after-school program was a blessing; our financial status wouldn't have allowed us to pay for it, especially the fencing and chess programs, being that they're incredibly expensive in a city like New York.
